

## **Description**

### **Title :**

WhatsOn Undip

### **Description:**

Through this app, You can find events from organizations or communities in University of Diponegoro (Undip) and you can also submit your event. You can share the event to your social media or add it to your mobile calendar.

### **Problem Solving:**

In Undip, there are a lot of students, majors, faculties, or organizations. Finding events in Undip is kind of uninterested thing to do. Announcement boards at campus corner are full with event pamphlets. Reading them one by one, corner to corner are boring. That's what "WhatsOn Undip" tries to solve. Hopefully, every students in Undip install this app, so that they can find events from all organizations in Undip with just click, surely not boring nor tiring. And for the organizations themselves, they can easily publish their events and reach a lot of students through this app.
